

To Whom It May Concern:

It is with great pleasure that I am writing this letter of recommendation for Ravin Robinson who we've known for five years and have had the privilege of having her be a part of our Charlotte team for a recent corporate event that we planned and executed. In the process of building this project, Ravin went above and beyond with her care and attention to detail. When she and her team worked closely and dedicated many hours to this project beyond what we could even prepare for, I was very impressed. We thank her for her flexibility and adaptability to deal with the continuous evolution of the event. Additionally, we are so proud of Ravin for the growth we have seen these past five years in her attendance at each of our David Tutera Experience events. Over the years, I have dealt with many planners and I can attest that Mrs. Robsinson displayed a level of professionalism that is seldom matched. It has been wonderful to see her knowledge and her confidence expand over our time together. We hope from this project she has been able to build her network further so that she can go out and create unforgettable events for her future clients. It has been a pleasure to have Ravin on our team and I am confident that she will continue to distinguish herself with every future event she has a role in.
